		7	<p>Вы правы, это Хэллоуин! Our lesson is devoted to Halloween, its history and tradition. Наш урок посвящен Хэллоуину, его истории и традициям.</p>	Teacher talking time for defining aims	
		8	<p>What is Halloween usually associated with? With pumpkins, trick-or-treating and a noisy family celebration. But did you know that the history of this holiday originates in Ireland? More than 2,000 years ago, the Celts of Ireland celebrated Samhain, which meant the end of summer, the end of the harvest. The holiday was celebrated on November 1st.</p>	T-Sts-T	
		7	<p>At the same time, people believed that on the night before, i.e. On October 31st, all the dead return to earth in the form of ghosts. At the same time, it was believed that if a person dresses in a ghost costume, then the ghosts walking on the earth will bypass such a person, mistaking him for one of their own.</p>	Sts ind.- T-Sts	Appendix 2.
		7	<p>In the 8th century, the Christian church transformed the Samhain holiday into All Saints' Day or All Hallows' Day. And the day before this holiday was called All Hallows' Eve or All Hallows' Eve. Eve from the word Evening (evening). Gradually in speech this name was shortened to Halloween.</p>	Sts ind.-the whole class	
		10	<p>The Halloween holiday is associated with the tradition of going from house to house and begging for treats. In medieval Britain it was called Guising, when young people dressed in scary costumes went from house to house and received treats and even coins in exchange for jokes, songs, poems.</p>	Sts ind.-the whole class Sts-Sts the whole class	
		5	<p>The tradition later grew into Trick-o-Treating. "Trick-o-Treat" translates to "Trick-or-Treat", where the word "Treat" means "Treat, sweetness." It is believed that if the owners of the house do not give food to the beggars, then they can play a small, usually harmless, prank. In most cases, the question "Trick or treat?" followed by the response "Treat! Treat!" and the owners of the house cordially treat Trick-o-treaters with sweets.</p>	T-Sts	
			<p>Now Halloween is a noisy, good family holiday with treats and competitions.</p>	Sts- T	
		5	<p>And now we're going to watch a short video about the history of Halloween in English.</p>	Sts-T-Sts	
		3	<p>А теперь мы с вами посмотрим небольшое видео об истории Хэллоуина на английском языке.</p>		
		7	<p>(видео «Bet you didn't know»)</p>		
		5	<p>As you see Halloween is not only a holiday, but also is a great business!</p>		
		2	<p>Как видите, Хэллоуин не только праздник, но и большой бизнес!</p>	T-St-T	

		<p>More than 6 billion dollars people spend for costumes and candies every year. Каждый год люди тратят более 6 миллиардов долларов на костюмы и конфеты.</p>	<p>Sts ind. Check –the whole class</p>
	6	<p>And what is the most important symbol of Halloween you know? А какой самый главный символ Хэллоуина вы знаете?</p>	<p>St-St</p>
	5	<p><i>(студенты отвечают)</i></p>	
	10	<p>That's correct. It's Pumpkin! Правильно! Это тыква! По-другому ее называют «Лампа Джека» или «Jack-o-lantern». И вот почему.</p> <p>Once upon a time, once upon a time, there was a drunken blacksmith named Jack. Then one day he met the devil and invited him to have a drink with him in a tavern. When the time came to pay, the enterprising Irishman asked the devil to turn the coin, after which Jack quickly put it in his bosom, and a silver cross hung on his chest. The devil was trapped and, no matter how hard he tried, he could not take on his original appearance. In the end, the devil achieved his release, promising in return not to touch Jack for a whole year. A year later, the devil came for Jack. But even here the clever Irishman outwitted him. He asked the ruler of the underworld to climb a tree for an apple to enjoy its taste for the last time. As soon as the evil one climbed onto a spreading branch, Jack scratched a cross on the trunk. So he bargained for himself another ten years of carefree life. Jack was unable to take advantage of the privileges he received because he led a riotous lifestyle, drank a lot, and soon died. After death, the sinner was not allowed into heaven. And the devil didn't want to see him after all his tricks. The restless Irishman, waiting for the day of judgment, was forced to wander the earth, lighting his way with a piece of coal that the devil finally threw to him. Jack put a smoldering light in an empty pumpkin and set off on a journey. Hence the name "Jack Lamp". Here's the story.</p> <p>As I said, Halloween is mostly a family holiday! Как я уже говорила, Хэллоуин – это в первую очередь, семейный праздник!</p> <p>Let's meet one British family and see how this day is traditionally celebrated. Давайте же познакомимся с одной британской семьей и посмотрим, как традиционно отмечается этот день.</p> <p><i>(видео «This is Britain Halloween»)</i> Видео сопровождается субтитрами. And now I suggest you repeat the English
alphabet.
But today is an unusual lesson. Therefore, we
will repeat it in an unusual way.
For each letter of the English alphabet there will
be a word that is associated with which holiday?

(студенты отвечают)
Правильно! С Хэллоуином!

It was funny, wasn't it?
Это было весело, правда?

(студенты отвечают)

Ну что ж, немного размялись, а теперь
давайте с вами попоем!
Let's sing a song. You are going to watch the
video twice. For the first time it'll be with lyrics,
for the second time it'll go without the words.
Вы посмотрите видео дважды, первый раз со
словами, второй раз – без них.

Подпевайте!

Слова песни:

What do you wanna be for Halloween?
A ghosty, or a goblin, or the fairy Queen?
A superhero red and blue
A monkey or a mouse? It's up to you (Go, go,
go, go, go!)

Ding dong, trick or treat
Walking up and down the street
Halloween night is way too cool
Ding dong, trick or treat
Candy and make-believe
Can you shout it out? Halloween rules!

A hairy old werewolf howling at the moon
A magical witch flying on her broom
Tell me, are you ready for some fun? Go! Go!
Go! Go!
Halloween night... here we come!

Ding dong, trick or treat
Walking up and down the street
Halloween night is way too cool
Ding dong, trick or treat
Candy and make believe
Can you shout it out? Halloween rules!

Bats and bugs and a dangling spider
Kettle corn and some apple cider

			<p>Jack-o-lanterns smile and light the way Hey, hey, hey, hey, hey!</p> <p>(Ding dong) trick or treat Walking up and down the street Halloween night is way too cool Ding dong, trick or treat Candy and make believe Can you shout it out? Halloween rules! Ding dong, trick or treat Walking up and down the street Halloween night is way too cool Ding dong, trick or treat Candy and make believe Can you whisper now? Halloween rules! Ssshhhhhh..... Halloween rules! Halloween rules!</p> <p><i>(видео «Halloween Rules - song with lyrics», затем «Halloween Rules - Kids Halloween Song». студенты поют)</i></p> <p>As you have already noticed, many competitions are held on Halloween. And I suggest you hold such a competition.</p> <p>I have a hat and there are pictures in it.</p> <p>You come out to me one at a time, take the picture and show me who is depicted there. And then you need to depict for the whole class with facial expressions and gestures the character who is drawn in the picture. Without the help of words!</p> <p><i>(Студенты играют. Карточки – в Приложении. Когда дети отгадывают персонажа, его название нужно произнести по-английски).</i></p>
